

# GAM 2024 - HO CHI MINH

## May 10 to 12

This year, Ho Chi Minh City was voted as the venue for the General Assembly Meeting and, certainly, it is a great choice.

Formerly known as Saigon, this is the second most important city in Vietnam after Hanoi. Many rivers, the biggest one being the Saigon River, streams and canals, bath the city. The Port of Saigon, established in 1862, is accessible to ships weighing up to 30,000 tons, a rare advantage for an inland river port.

The city, the largest city in the country in terms of population, is a bustling, dynamic and industrious center, the economic capital and the cultural trendsetter. Yet, within the teeming metropolis are the timeless traditions and beauty of an ancient culture.

## CARAVELLE HOTEL

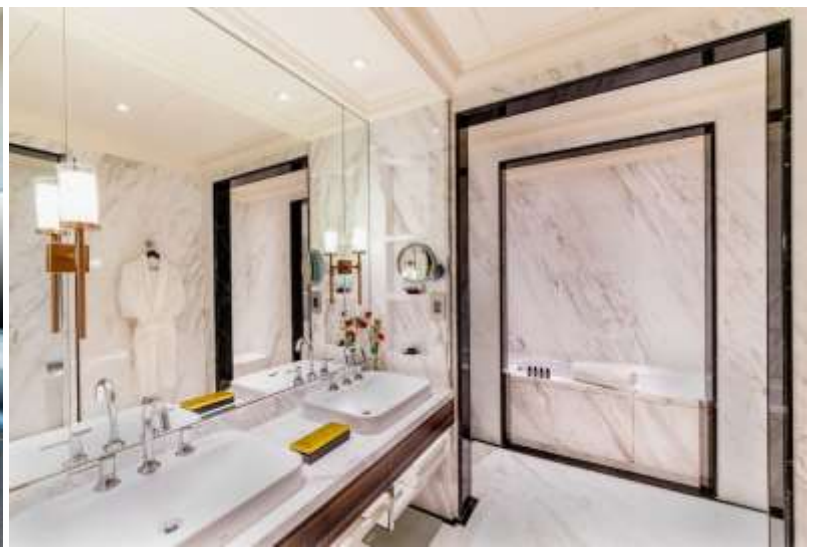

The Caravelle Saigon Hotel is located in the city centre district 1, only a short walk to iconic landmarks and locations, such as the Saigon Municipal Theatre - also known as the Opera House - Notre Dame Cathedral, historic Dong Khoi Street, modern Nguyen Hue Walking Street, and the legendary Ben Thanh Market.

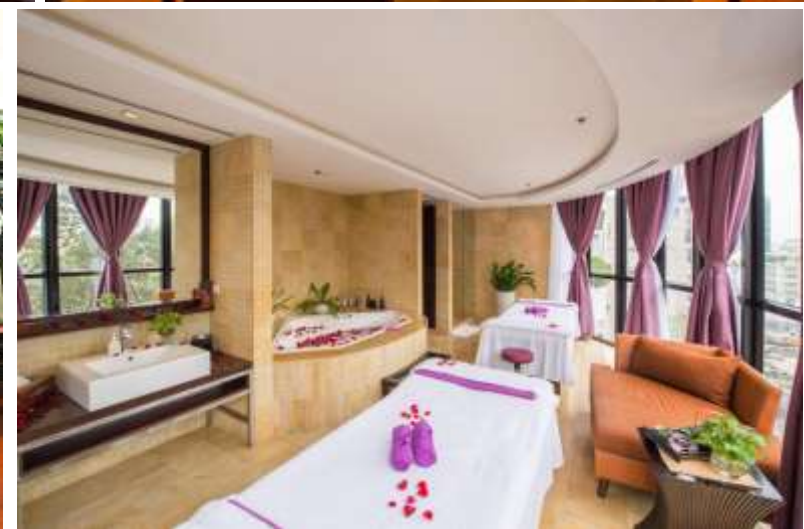

Opened on the Christmas eve of 1959, the hotel has been at the centre of significant historic and cultural events as well, even being the home for the Australian Embassy, the New Zealand Embassy, and the Saigon bureaus of NBC, ABC and CBS, to name but a few.

The original classy ten-storey building with strikingly curved, balconied corners is now adjoined to a smart 24-storey tower that forms the bulk of the new property.

Rated with 5 stars, this high-quality property provides guests with comfortable luxury rooms, extraordinary culinary experiences and a variety of facilities - pool, gym, spa- and services - conferences, limousine, concierge, massage, luggage storage.
